THE ANNUAL 2001

MUSTER 2001

In Memory of Shawn Patterson

Shawn Douglas Patterson, a resident of Scituate, Massachusetts was tragically killed in an automobile accident on Friday, March 16, 2001. He left many people behind including his parents Doug and Jill Patterson, his sister Katie and countless friends, relatives and loved ones.

Shawn spent his nineteen years living in the town of Scituate where he enjoyed playing football and skiing for Scituate High School, fishing and lobstering on his boat "Jamie Lynn" and he even plowed snow for the town. Shawn was a very active young man who lived a great life and touched the hearts of everyone he met.

In late August of 2000 Shawn began his career here at the Massachusetts Maritime Academy where he entered into a family of cadets and a brotherhood of 5th company. Even though it was a short time, many people grew to love Shawn. It was his continuous generosity, his rolling laugh and his unforgettable smile that everyone will keep in their minds and hearts forever.

Shawn, wherever you are we just want you to now that no one will ever forget you. The memories we share will last forever. We love you, miss you and cannot wait to see you again. Rest in Peace Buddy.
